

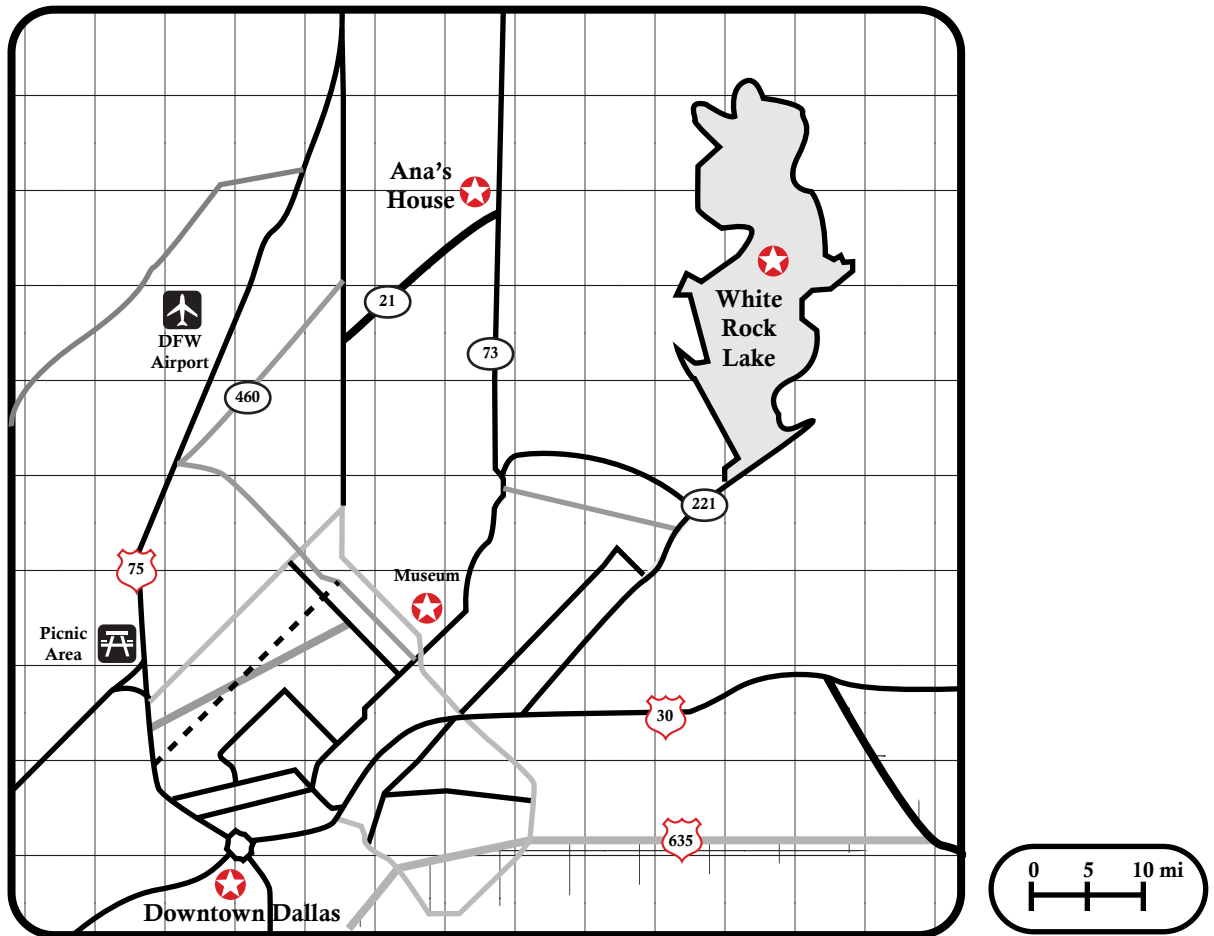

Mapping Skills

Name: _____ Date: _____

Hugo is planning a visit to Dallas to see his cousin Ana. Use the scale below to help him mark the distance he will travel. Make sure to stay on the main roads!

Scale the following distances. Write your answers below.

1. DFW Airport to Ana's House. About 50 miles driving from Route 75 to Route 460 to Route 21.
2. Ana's house to White Rock Lake. About 65 miles driving from Route 73 to Route 221.
3. White Rock Lake to Downtown Dallas. About 75 miles driving from Route 221 to Route 30.
4. Downtown Dallas to the Picnic Area. About 20 miles diving on Route 75.
5. The Picnic Area to the Museum. About 35 miles driving from Route 75.
6. The Museum to Ana's House. About 40 miles driving along Route 73.
