

Endpoints, Line Segments and Angles **Answers**

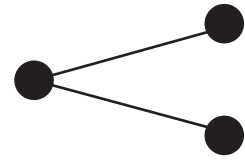

Most shapes have endpoints, line segments and angles.

endpoint

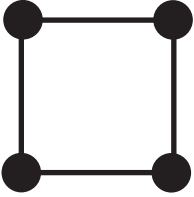

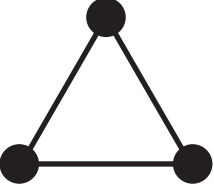

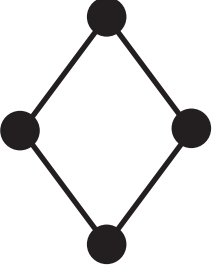

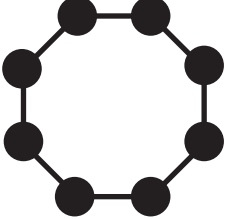

line segment

angle

Finish the chart by counting the endpoints, line segments and angles.

Shape	Number of Endpoints	Number of Line Segments	Number of Angles
 square	4	4	4
 triangle	3	3	3
 rectangle	4	4	4
 diamond	4	4	4
 octagon	8	8	8
