I arrived to our spot with my camping group. I set up my tent and decided to check the place out. I walked to the bruk so I could explore. I tok a cookee with me to eat as a snack. I wore a sweatshirt with a hud just in case it rained. Suddenly, I heard birds squawk as they flew across the sky. It made me looke up. At that moment, the rain started. I am a gud runner, so I sprinted to a nearby tree. I heard a woidpecker high up in the branches. The tree shuk and the wod was falling to the ground. I said gudbye to that shelter and moved back toward my camp. The tent would be the best place to stay dry!
