**So Surprised!**

Think about a time that you were surprised. Use each blank box below to illustrate or write a part of that event. On the lines next to each box, plan the details of that part of the surprising event.

A Time I Was Surprised: When I got a puppy

Part of the Story	Details
Before I Got the Puppy	<u>I had asked my mom for a long time about getting my very own puppy.</u> <u>Every time I asked she said no.</u> <u>I gave up hope on ever getting a puppy.</u>
Doing Chores	<u>One day I was doing chores around the house.</u> <u>I cleaned my room and washed all the dishes.</u> <u>Since I had a little extra time before I had to do my homework, I also cleaned the bathroom.</u>
The Big Reveal	<u>I heard a noise that sounded like a dog, but I thought that it wasn't possible.</u> <u>Mom called me outside to help water the plants.</u> <u>Instead of plants, I saw an adorable puppy!</u> <u>It was a golden retriever.</u>
My Reaction	<u>I jumped for joy and held the puppy in my arms, never wanting to let it go.</u> <u>Since I had been responsible with my chores, mom decided to give me the responsibility of a new puppy.</u> <u>It was the best day of my life!</u>
