Answers

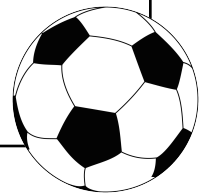

It's important to look for clue words while reading word problems. Underline them when you see them so you know whether to add or subtract. Then solve the problem.

Addition Clue Words

add	and	how much	more	to
addition	both	in all	plus	together
altogether	how many	increased by	sum	total

Subtraction Clue Words

		how many did	less than	subtract
are not	difference	not have	more	take away
change	fewer	how many more	remain	
decreased	have left	how much
