

Answers

Sounds Like an Animal!

Fill in each blank with the corresponding onomatopoeia using the word bank below.
Then, explain the context for that sound by making an inference.

Cheep	Hiss	Woof	Oink
Moo	Neigh	Buzz	Roar

Context answers may vary but could include:

1. **Woof** _____! When my dog heard the doorbell, he woke up and ran to the door.

What is the context? **The dog was guarding the house.**

2. **Hiss** _____! Julie's cat used its paw to swat my hand when I tried to pet it.

What is the context? **The cat wanted to be left alone.**

3. **Moo** _____! The cattle gathered near the farmer as he brought out the hay.

What is the context? **The cows wanted the hay.**

4. Our class went to the zoo on Friday. **Roar** _____! We nearly jumped when we heard that sound. What is the context? **The children were startled by the lion's roar.**

5. As the mother bird flew to her nest, the baby birds reached out toward her.

Cheep _____! What is the context? **The baby bird was hungry.**
