

# Subtracting 10 and 1 on the Hundreds Chart

Fill in the the shaded boxes with the correct numbers.

*Example:*

		3							
	12	13							
					26				
	32			35	36				
41	42								
							58		
						67	68		
			74						
		83	84						90
								99	100

Now you try!

	2								
11	12							19	
					26		28	29	
		33		35	36				
	42	43							
				55					
			64	65					
								78	
							87	88
