

Place Value Blocks

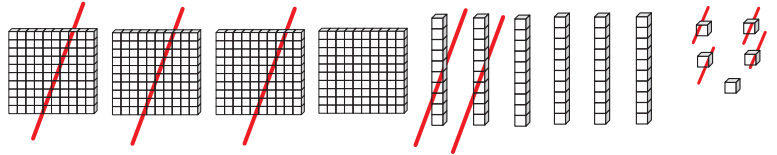

Place value blocks make solving subtraction problems easier. For each of the problems below, cross out place value blocks to help you subtract.

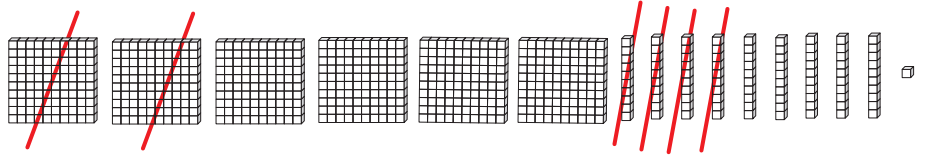

$$293 - 111 = 182$$

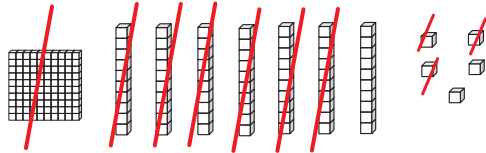

$$465 - 324 = 141$$

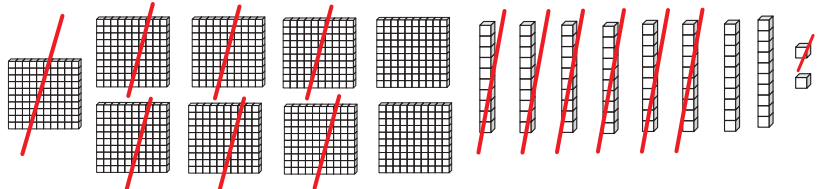

$$691 - 240 = 451$$

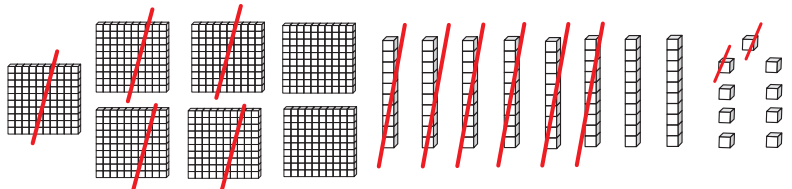

$$175 - 163 = 12$$

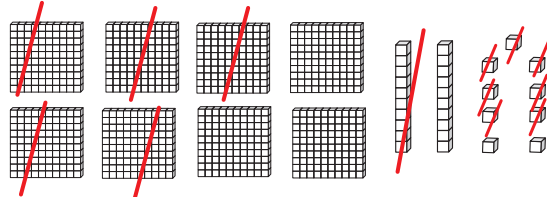

$$982 - 761 = 221$$

$$789 - 562 = 227$$

$$829 - 517 = 312$$

$$567 - 343 = 224$$
