

# Sun of Many Words

The sun is filled with words that start with W.  
Read and color the words using the directions below.

- Trace the word “we” and color it red.
- Trace the word “with” and color it orange.
- Trace the word “why” and color it yellow.
- Trace the word “when” and color it black.

I like to spend time  
in the sun with...

Answers will vary.
