

Talking Points: School Lunches

Name: _____

Date: _____

Instructions: Choose one of the topics below. Circle your choice. Write an opinion statement on the left speech bubble. Write three reasons for this opinion on the three bubbles on the right.

Example:

Opinion:

Students should be able to bring their own lunches to school.

Reason #1:

Students can make the choice about what to eat.

Reason #2:

Less food will be wasted because they will not throw away cafeteria food that they don't like.

Reason #3:

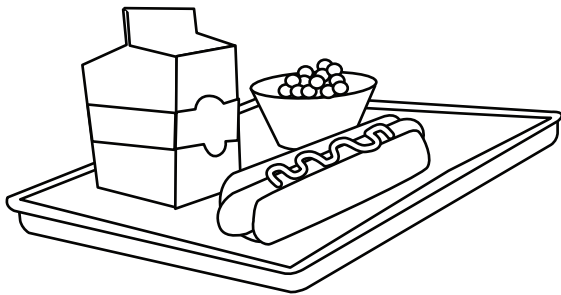

The school will not have to prepare as much food if some students bring their lunches.

Topic #1: A food that should be served for school lunches

Topic #2: A food that should not be served for school lunches

Topic #3: Seating arrangements in the cafeteria

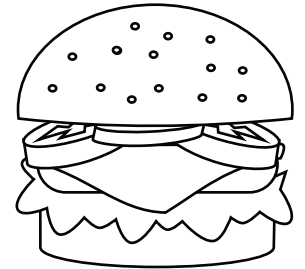

Topic #4: Birthday lunches

Reason #1:

If students can choose their own seats they can meet new students.

Answer Key (Answers will vary)

Opinion:

Students should be able to select their own seats during lunch time.

Reason #2:

Students can get to know other students who are not in their class.

Reason #3:

Students can have more independence and can have the opportunity to be responsible.
