

1. LIKE CLOCKWORK!

The correct time is 10:25.
(The latest time is 11:40 PM, not
12:55 PM, which is the earliest time.)

2. TED'S TOES

Ted has 26 pair options.

3. CUP QUANDARY

First, Norma will measure 4 cups of flour and pour it in the bowl. Next, she'll fill the 4-cup measure again and then pour that flour into the 3-cup measure. When the 3-cup measure is full, there will be 1 cup of flour remaining in the 4-cup measure. Then she'll pour that cup of flour into the bowl for a total of 5 cups.
