

Tools of the Trade #2

Draw a line to match each worker to something you would find at their workplace.

1.  chef

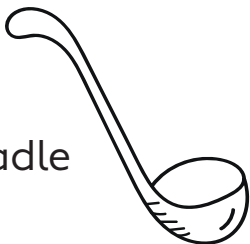

2.  artist

3.  police officer

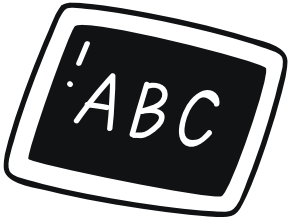

4.  nurse

5.  teacher

stethoscope 

ladle 

paintbrush 

chalkboard 

badge 

The image shows a matching exercise. On the left, five workers are listed with their corresponding illustrations: 1. chef (a man in a chef's hat), 2. artist (a man with a beret and a notepad), 3. police officer (a woman in a police uniform), 4. nurse (a woman in a nurse's uniform), and 5. teacher (a woman with glasses holding a book). On the right, five tools are listed with their corresponding illustrations: stethoscope, ladle, paintbrush, chalkboard (with 'ABC' written on it), and badge. Red lines connect each worker to their respective tool: chef to stethoscope, artist to paintbrush, police officer to badge, nurse to chalkboard, and teacher to ladle.
