

Up, Up, and Away, Again!

Millie and Willie are pilots. They decided to take a flying tour around the western United States. Use the clues below to figure out which states they visited.

- ✈ They started in the state of Washington.
- ✈ Next, they flew south, to the largest state on the West Coast. **California**
- ✈ Then they flew north and east, to, a state that shares borders with Washington and Montana. **Idaho**
- ✈ Next they flew west, to the only state on the coast they had not already visited. **Oregon**
- ✈ Finally they flew south and east, to a state whose name begins and ends with the same letter. **Arizona**
