Answer Key

Using Abbreviations for Street Names

Let's talk about **abbreviations**! This is the short form of a word, used to condense what you're writing.

Names of streets have abbreviations. Keep in mind, these abbreviations end with a period.

Part 1: Write an example for each street name using the abbreviations.

<u>Street Name</u>	<u>Abbreviation</u>	<u>Example</u>
Barbara Avenue	Ave.	<u>Barbara Ave.</u>
Bison Boulevard	Blvd.	<u>Bison Blvd.</u>
Denver Circle	Cir.	<u>Denver Cir.</u>
Cathie Court	Ct.	<u>Cathie Ct.</u>
Delaney Drive	Dr.	<u>Delaney Dr.</u>
Peak Highway	Hwy.	<u>Peak Hwy.</u>
Jose Lane	Ln.	<u>Jose Ln.</u>
Park Place	Pl.	<u>Park Pl.</u>
Birch Road	Rd.	<u>Birch Rd.</u>
Sunshine Street	St.	<u>Sunshine St.</u>

Part 2: Get creative and use abbreviations to label the town with five different street names.

Students' answers will vary.
