**Name** _____ **Date** _____

COLLECTING AND USING DATA

Did you know your mind studies **data** all the time? For example, do you sort out the people you know as family members or friends? If you do, that's **collecting data**! Every day we take a **tally** of many different things and use that **data** to plan out our next action.

Use the tally chart below to answer the questions.

object	tally	total
	ＨＨ ＨＨ ＩＩ	12
	ＨＨ ＨＨ ＨＨ Ｉ	16
	ＨＨ ＨＨ ＨＨ ＨＨ	20
	ＨＨ ＩＩＩ	8

1. How many rabbits are there? _____20_____
