

# WEATHERING & EROSION

Take a look at the pictures below. Can you tell which type of weathering caused each of these things? Use your knowledge of the different types of weathering to help you make an educated guess for each picture.

## ***Mechanical/Physical***

***salt crystals***

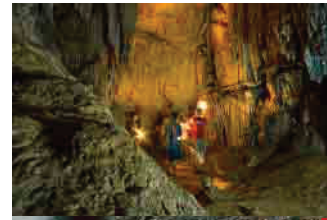

***wind***

## ***Chemical***

***oxidation (rust) - causes  
discoloration on rocks***

***water - dissolves  
minerals and creates caves***

## ***Biological***

***ants***

***bees***

## ***Word Bank***

***salt crystals***

***ants***

***wind***

***oxidation(rust)***

***Water dissolving minerals***
