

My Daily Journal: An “OG” Filled Day

Fill each blank with “og” then read the passage below.

Today I woke up and looked out my window. I could see a

layer of f og. I got dressed and said hi to Sparky, my d og.

We ate a big breakfast and headed out for the day. Then we walked

to the park about three blocks away. I almost tripped over a l og

because I was so excited. My d og and I sat by the lake.

There were geese, ducks, and one small bullfr og. After playing

for a couple of hours, Sparky and I headed home. Dad was sitting

on the couch looking at a catal og. Mom was in the bathroom

trying to uncl og the sink. I noticed a layer of sm og starting

to settle outside and said, “Sparky, we got home just in time!”
