

Fourth of July Paper Lantern

Materials Needed:

- Card Stock (or regular paper)
- Scissors
- Glue (or tape)

Instructions:

Have an adult print out this page onto card stock or paper. Cut out the 2 pieces on the dotted lines.

Fold the large rectangle in half, so it is long horizontally. Cut on the dotted lines to meet the edges of the blue stripes.

Match the gray lines on each side and glue and tape the sides together to make a tube.

Glue or tape the long red handle to each black dot.

Your paper lantern is now complete!
