

FOURTH *of* JULY PICNIC

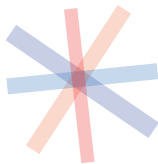

Follow the directions on the next page to cut out and make your picnic basket. Then color in and cut out the things on this page that you would like to take on your picnic and put them into your basket. On a separate sheet of paper draw other things you would want to bring, cut them out, and put them in too!

FOURTH *of* JULY

PICNIC

Cut out the two sides of the basket in one piece, then fold on the dotted line and glue or staple the left and right edges together to make your own picnic basket!
