

A Paragraph Puzzle

Let's Soar in Grade 4

Part 1 - This paragraph is not written in the correct sequence! Solve this paragraph puzzle by putting the sentences in the correct order.

Directions: Highlight the topic sentence. Then, write the number of each sentence in correct order on the line below.

¹ My mom taught me that the first step to baking is thoroughly washing one's hands and baking area. ² Once we were done getting ready, we got out the ingredients and bakeware, and set the oven to preheat. ³ After mixing the ingredients, we dropped rounded teaspoonfuls of cookie dough onto baking sheets and placed them in the oven. ⁴ While the cookies were baking, we kicked up our feet and rested on the couch. ⁵ One day during this past summer, I baked chocolate chip cookies with my mom. ⁶ Then, she gave me an apron to wear so my clothes didn't get dirty. ⁷ In the end, we were delighted with the results and enjoyed eating two cookies and a large glass of milk!

Number of sentences in correct order: _____

Part 2 - Write your own paragraph.

Directions: Write a paragraph describing your typical Saturday or Sunday. Use words, such as **first**, **then**, and **to sum up**, to describe the events of your day. Highlight your topic sentence and be sure to use correct sequential order as you write your paragraph!
