

Opinion Writing: A Persuasion for the Persuasive

Name _____

Date _____

A **persuasive paragraph** aims to convince, or persuade, someone to do or believe something. You can use strong words in an argument to help convince someone of your point of view.

Directions: Write a persuasive paragraph by first thinking about an issue you feel strongly about. Then, use some of the persuasive words from the Word Box to strengthen your writing.

Write your opinion about the issue here.

Persuasive Words:

necessary	definitely
certainly	important
surely	best
only	amazing

List any facts, details, or reasons that support your opinion here. Be sure to include the details that would most likely convince someone else to agree with your opinions.

Restate your opinion from question #1, but state it in a different way.
