# Add a New Text Feature

After reading an informational book, think about what text features your book has. Text features include:

- Diagrams
- Tables
- Headings
- Tables of Contents

- Glossaries
- Charts
- Illustrations
- Index

Name of text: -

1. What text features does your text have?

2. What text feature do you think your text *should* have?

3. Now create your desired text feature below!
