

Adding 10 or 1 on the Hundreds Chart

Fill in the the shaded boxes with the correct numbers.

Example:

1	2								
11			14	15					
			24				28	29	
				35	36		38		
				45					
	52	53							
	62								
					76	77			
					86		88	89	
							98		

Now you try!

		3							
				15					
								39	
	42								
							58		
					66				
		83
