

More Practice Adding 10s on the 100s Chart

Add 10s by moving straight down the hundreds chart!

Andy picked 43
flowers from the
garden.

He bought 40
more flowers
from the store.

How many
flowers does he
have altogether?

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

Hope donated 52
books to her
classroom.

Courtney donated 40
more books.

How many books did
they donate
altogether?

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$
