

Adjectives Maze

Find a matching adjective for each noun in the maze. Use different colors to make each path.

ghost

fire

sweet

candy

smooth

glass

hot

spooky

The maze is a square with a thick black border. Inside, there are many black lines of varying thicknesses that create a complex network of paths and dead ends. The paths are not uniform in width, with some being thicker than others. The maze is designed to be solved by tracing a path from a noun to its matching adjective.
