

Verbs and Adverbs #1

An adverb is a word that describes words other than nouns.
 Adverbs usually describe how, when, where, or to what extent.
 For example: Judy talks *loudly*. (how)
 Susie goes to school *weekly*. (when)
 Roy went *home*. (where)

From each sentence, write the verb and the adverb that describes it in the space provided.

The turtle walks slowly.

The swimmer practices regularly.

He moves the boxes carefully.

The musician plays beautifully.

The builder skillfully builds a wall.

The taxi driver is standing outside his car.

Yesterday, I wrote a letter to my penpal.
