

All About Adverbs: Writing Sentences #2

An **adverb** is a word that describes words other than nouns. Adverbs usually describe **how, when, where, or to what extent**.

For example: Judy talks **loudly**. (how)
Susie goes to school **every day**. (when)
Roy went **home**. (where)

Directions: Use the adverb on the left to compose a sentence in the space provided.

1. clearly _____

2. directly _____

3. occasionally _____

4. rarely _____

5. politely _____

6. recently _____

7. finally _____

8. correctly _____
