Read the passage "Rooney for President" and decide whether you agree or disagree with Ronney's opinion of a perfect school. Remember to provide reasons for your opinion.

ROONEY FOR PRESIDENT

If I were president, I would build the perfect school.

Teachers would come to work in roller skates!

Ice cream would be served for breakfast, and cupcakes would be served for lunch.

Kids would have recess and P.E. all day, and the library would be filled with video games instead of books.

Vote for me if you want the perfect school!
