

Name: _____

When people **have the same opinion** about something, that means they **agree**.

When people **don't have the same opinion** about something, that means they **disagree**.

Look at the conversations below and decide if the people talking "agree" or "disagree" by writing the word below their conversation.

1. I think dogs are the best pets!

I think cats make the best pets.

2. I believe robots are awesome.

I feel robots are awesome too!

3. I don't think reading is fun.

I think reading is super fun!

Write a conversation where people **disagree** about their opinions.

4. _____
