

# Uppercase and Lowercase Alphabet Card Games

Carefully cut apart the Uppercase and Lowercase Alphabet Cards on pages 2-4.

## Alphabet Hide 'n Seek

Ask your child to search for the alphabet cards you've hidden around the room or the house. As he finds each alphabet card he must bring it to you and identify the letter.

## Do You Hear What I Hear?

Say a word aloud. Have your child find and hold up the alphabet card that matches the beginning sound of that word. For more challenging fun, have your child find and hold up the alphabet card that matches the ending sound of that word or the vowel sound in that word.

## Alphabet Fishing

Attach a paper clip to each alphabet card. Make a fishing pole by attaching a string to a yardstick, ruler, or dowel rod. Tie a small magnet to the end of the string. Help your child fish for letters. To keep the "fish," your child must identify the letter and say a word that begins with that letter sound. Play together or with a friend. The player with the most "fish" at the end of the game wins.

## Alphabet Actions

Select several alphabet cards and challenge your child to think of verbs or action words that begin with those letters. With actions in mind, have her act out the word as you try to guess the action.

## Alphabet Shopping

Select several alphabet cards and challenge your child to make a shopping list of items to purchase that begin with those letters. Play together or with a friend to see who can make the longest list.

## Missing Letter

Place the uppercase or lowercase alphabet cards face up in the correct sequence. Remove several alphabet cards. Ask your child to identify the missing letters.

Helpful hint: For sturdier cards, glue entire page on a piece of poster board. When the glue is dry, cut out the letters.
