

Name: _____

Karen needs help finishing her homework.

Can you help her draw pictures of words that have the "a" sound in the middle?

Make sure to write the word as well!

The diagram consists of a central circle with the text "-a". Six lines radiate from this central circle to six surrounding circles. The top-left circle contains a line drawing of a cat lying down. Below the drawing is a set of three horizontal lines (top, middle-dashed, bottom) with a dotted lowercase letter 'c' on the middle line. The other five circles are empty, intended for drawing a picture and writing a word that contains the 'a' sound.
