

An Interview With the **New Year**

Welcome to 2023! Before you embark on a year-long adventure, 2023 has a few questions for you! Answer the questions and fill in the prompts.

2023: We finally meet! Before we begin, let's look back at 2022. If you could describe 2022 in the following ways, what would you say?

As a fruit: _____

As a song: _____

As an animal: _____

2023: Wonderful! Now, what is one way you hope that this year is like last year?

2023: What is one way you hope that this year is **not** like last year?

2023: Fair enough. Now, what is your favorite month, and why?

2023: What is your **least** favorite month, and why?

2023: What day this year do you imagine will be the most special for you?

An Interview With the New Year

2023: What are two things you predict will happen this year?

2023: What are two things you predict will **not** happen this year?

2023: Imagine that 2023 is a big party. Who do you hope shows up? It can be anyone at all—even fictional characters!

2023: Imagine you can experience me with all your senses! What do you hope I...?

Taste like: _____

Smell like: _____

Sound like: _____

Feel like: _____

Look like: _____

An Interview With the New Year

2023: What are three goals you have for yourself in 2023?

2023: What are two new things you would like to try this year?

2023: If you could have one truly magical thing happen this year, what would it be?

2023: What are three goals you have for the world in 2023?

2023: Imagine you can ask me any question about the year to come. What would it be?

An Interview With the **New Year**

2023: Your answers are amazing! I cannot wait to start this year with you. Before we begin, draw a picture of us doing something fun together! (You can draw me however you like!)
