ANIMAL HABITATS - FUN PAGE!

Urban Animals

Chipmunk

Look out in your backyard or in a nearby park and you will see animals that live happily alongside humans. These animals have adapted their behavior, what they eat, and where they sleep, so they can thrive in urban areas. Some even depend on humans for their survival.

Crow Seagull Pigeon Raccoon Squirrel Opossum Mallard House Finch Skunk Fox House Mouse Rat

When an opossum is afraid, it will "play dead" until it feels safe. In the summer and spring, squirrels and chipmunks hide food for the winter. A rat's teeth never stop growing.
