

Farm Animal Tracks

While walking around a farm, you'll see how different animals are. They all leave tracks that are the shape of the bottom of their feet. Animals might have claws, hooves, padded feet or webbed feet.

Can you guess which animal left which tracks?
Write the name of the animal next to its tracks.

1.

Pig

2.

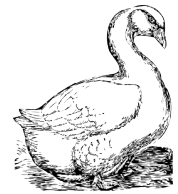

Chicken

3.

Goose

4.

Cow

5.

Horse

6.

Dog
