

Johnny Appleseed

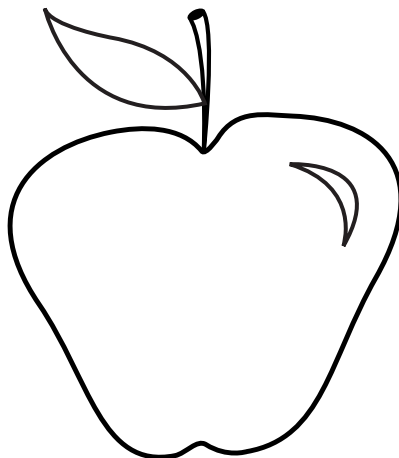

Johnny was born in Massachusetts, but traveled to Pennsylvania, Ohio, Kentucky, Indiana, and Illinois to share the joy of the apple with others. He spread seeds and helped plant nurseries!

Based on the clues, guess the names of these three different types of apples!

“Another word for a fancy event or ball.”

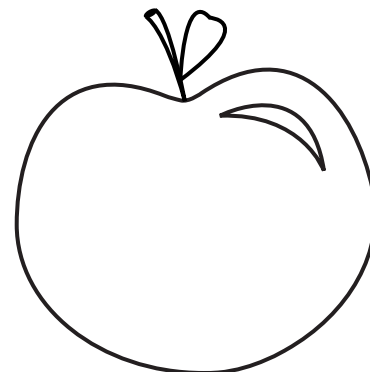

These apples are widely grown, sweet and possess a pleasant flavor.

“A word that describes the glow of the sun.”

DELICIOUS

This family of apples has a thin skin and juicy texture. Great for baking!

“This ancient city was ruled by Julius Caesar.”

This type of apple is round in shape, with a light sharp taste.
