	you make an argument , you are making a claim that you believe is true. For ble, you might argue that you should be allowed to have a pet dog. To make
	ective argument and convince your reader you are right, you will need to
provid	e examples or evidence that support your claim.
	nter-argument is a statement that opposes your claim. For example, your
•	s might argue that you are not responsible enough for a pet dog. Addressing ter-argument in your writing will make your claim stronger!
