

Name: _____

Date: _____

Draw the Array without Grids!

Directions: For each problem below, draw the array that represents it.
Then solve for the answer.

$$3 \times 3 = \underline{\quad}$$

$$5 \times 2 = \underline{\quad}$$

$$4 \times 5 = \underline{\quad}$$

$$2 \times 4 = \underline{\quad}$$

$$4 \times 4 = \underline{\quad}$$
