

At the Grocery Store

Solve each problem by using the grocery store to fill in the equations.

Heather has 10¢. She bought bread and steak. How much does she have left?

$$\begin{array}{r} \underline{\hspace{2cm}} \\ - \hspace{2cm} \\ \hline \end{array}$$

George bought milk and broccoli. How much did he spend?

$$\begin{array}{r} \underline{\hspace{2cm}} \\ + \hspace{2cm} \\ \hline \end{array}$$

Cindy has 7¢. She bought a loaf of bread. How much does she have left?

$$\begin{array}{r} \underline{\hspace{2cm}} \\ - \hspace{2cm} \\ \hline \end{array}$$

Drew bought milk and cereal. How much money did he spend?

$$\begin{array}{r} \underline{\hspace{2cm}} \\ + \hspace{2cm} \\ \hline \end{array}$$
