

Monkey Around

Count the bananas in each group.
Write the number in the box. Add the numbers
to find out how many bananas there are in all.

$$\begin{array}{c} \text{4 bananas} \\ \square \end{array} + \begin{array}{c} \text{3 bananas} \\ \square \end{array} = \square$$

$$\begin{array}{c} \text{4 bananas} \\ \square \end{array} + \begin{array}{c} \text{1 banana} \\ \square \end{array} = \square$$

$$\begin{array}{c} \text{1 banana} \\ \square \end{array} + \begin{array}{c} \text{5 bananas} \\ \square \end{array} = \square$$

$$\begin{array}{c} \text{5 bananas} \\ \square \end{array} + \begin{array}{c} \text{3 bananas} \\ \square \end{array} = \square$$
