2 bees buzzed over to the flowers. Soon, **2 more** busy bees flew to the flowers. How many bees do you see **all together**?

$$\begin{array}{ccccccc} \text{bee} & \text{bee} & + & \text{bee} & \text{bee} & = & \underline{\quad} \quad ? \\ \text{---} & \text{---} & & \text{---} & \text{---} & & \end{array}$$

$$2 + 2 = \underline{\quad} ?$$
