

Bigger or Smaller?

Look at the sea creatures in each box,
and circle the one that is bigger!

 <p>A small yellow and blue fish is positioned at the top of the box. Below it is a large red octopus with a yellow ring around its mouth.</p>	 <p>A large blue whale is positioned at the top of the box. Below it is a small blue fish.</p>
 <p>A large pink jellyfish is positioned at the top of the box. Below it is a small blue jellyfish.</p>	 <p>A small red crab is positioned at the top of the box. Below it is a large grey shark.</p>
