

# Anne Frank: The Diary of a Young Girl

## The Role of Resistance

During the Holocaust, many people fought back against the persecution from the Nazi regime. Resistance against the Nazis came in many forms—from aggressive and violent to passive and non-violent. Any form of resistance during this time period came with great risks.

Identify examples of resistance in Anne’s diary, and note them in the left column of the table below. Next, conduct research to find other examples of resistance from 1933 to 1945 that were not mentioned in Anne’s diary. Record your notes in the right column. Then, answer the reflection question that follows.

Examples of resistance mentioned in Anne’s diary	Other examples of resistance throughout the world

**Reflect:** What are the limitations of using Anne’s diary to learn about resistance during the Holocaust?
