

# Favorite Wild Animals

You poll your classmates about their favorite wild animals. Now fill in the bar graph using the information below.

- 10 students like tigers. Find that bar and label it "Tiger".
- 5 students like snakes. Find that bar and label it "Snake".
- 7 students like giraffes. Find that bar and label it "Giraffe".
- Color the most popular wild animal red.
- Color the least popular wild animal blue.
- How many people like lions?
