

Candy Cane Facts

- National Candy Cane Day is celebrated December 26th in the United States.
- The world's largest handmade candy cane was made in 2001 and measured over 58 feet.
- More than 2 billion candy canes are sold between November and December.

- Candy canes were supposedly invented by French priests in the 1400s.
- The first candy canes were called *peppermint sticks* and the shape was originally straight.
- Red stripes didn't appear on candy canes until the mid 1900s.

Now it's your turn to reinvent the candy cane! Draw your fun creation in the box to the left.
