

CARD CODE

Which animal should you never play cards with?

To solve this riddle, first help Scott play this card game. Below is the hand he was dealt. The game's rules are as follows:

- Discard any card that has clubs.
- Discard all cards with prime numbers.
- Discard any card that, when divided by 6, is a prime number.
- Keep any even cards left over.

Then unscramble the remaining letters to reveal the answer.
