

Career Paper Dolls

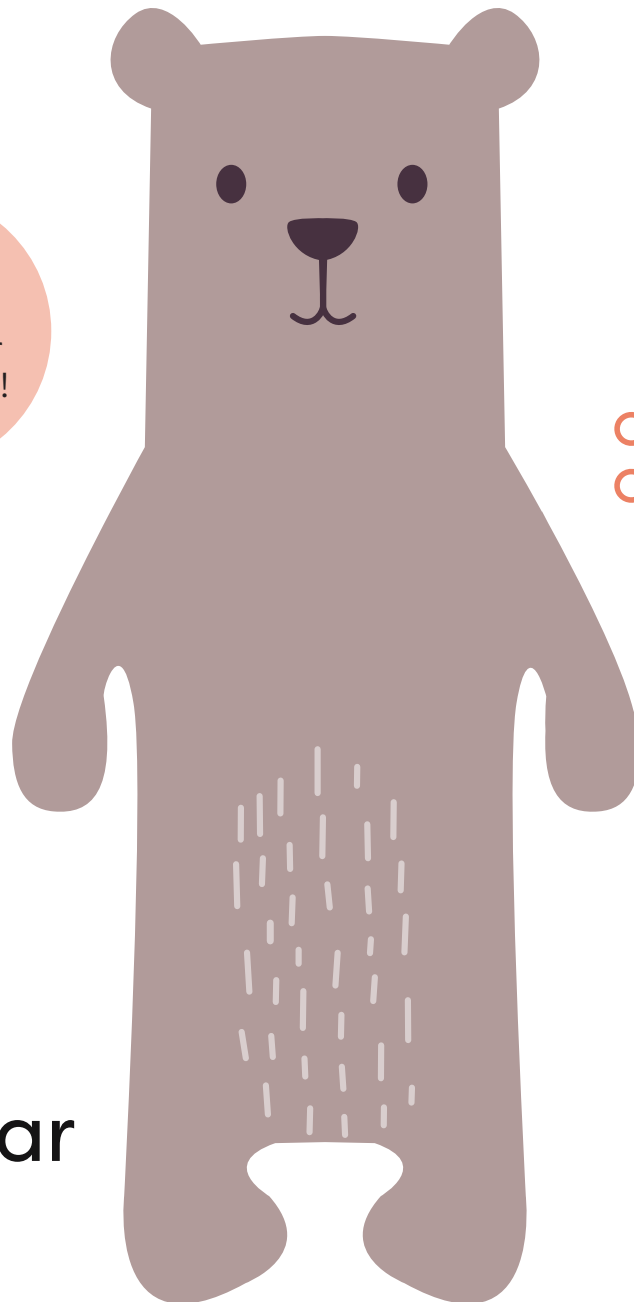

Three forest friends are dreaming of what they might want to be when they grow up! Ask an adult to carefully cut out the animals on pages 1 and 2 and the outfits on pages 3-11. Then pick an outfit for each animal. After dressing each animal, turn to page 12 to answer a prompt about what kind of work you might want to do one day.

Print on
cardstock
for sturdier
paper dolls!

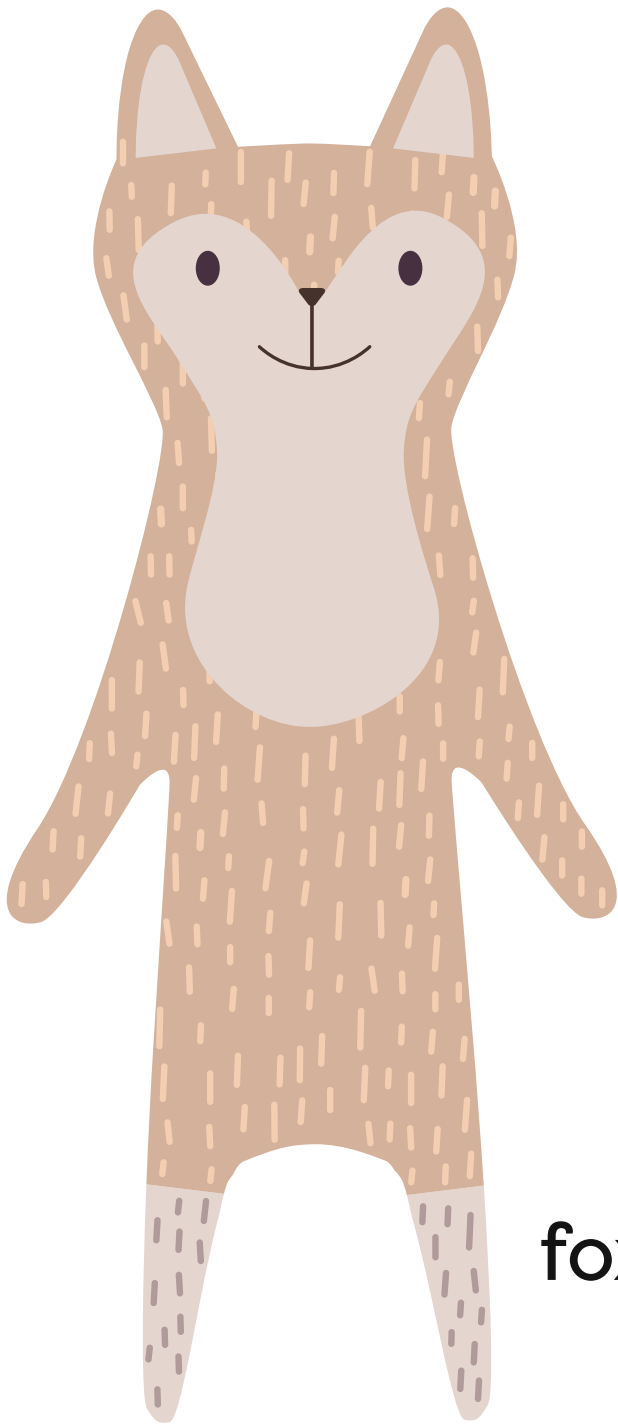

Cut as close
to the edges
of the outlines
as possible.

bear
