

Carnival Duck Toss #1

Step right up! It's time to knock down some ducks!

Draw a line from the ball below to the ducks which are multiples of 6.

The game board consists of three rows of ducks, each row separated by a horizontal line. Each duck has a number on its chest. Below the ducks is a red trapezoidal platform with a purple ball in the center containing the number 6.

Row	Duck 1	Duck 2	Duck 3	Duck 4	Duck 5
1	36	25	42	18	20
2	49	12	54	32	16
3	57	48	73	44	60

Now write the multiples on the lines below.
