

Carnival Duck Toss #2

Step right up! It's time to knock down some ducks!

Draw a line from the ball below to the ducks which are multiples of 7.

The game board consists of three rows of ducks, each row containing five ducks. The ducks are yellow with orange beaks and feet. The numbers on the ducks are as follows:

Row	Duck 1	Duck 2	Duck 3	Duck 4	Duck 5
1	15	21	33	40	14
2	28	49	60	35	51
3	63	58	70	36	42

Below the ducks is a purple ball with the number 7 on it, sitting on a red trapezoidal base.
