

Carnival Duck Toss #5

Step right up! It's time to knock down some ducks!

Draw a line from the ball below to the ducks which are multiples of 10.

The game board consists of three rows of ducks, each row containing five ducks. The ducks are yellow with orange beaks and feet. The numbers on the ducks are as follows:

Row	Duck 1	Duck 2	Duck 3	Duck 4	Duck 5
Top Row	20	35	30	16	50
Middle Row	40	47	55	70	62
Bottom Row	85	90	100	96	80

Below the ducks is a purple ball with the number 10 on it, sitting on a red trapezoidal base.
