# Celebrate Everyday Heroes National Doctors' Day

**National Doctors' Day** is celebrated on March 30 in the United States to acknowledge the important work physicians do for people and communities.

Fill in the calendar template below for the month of March, highlighting National Doctors' Day. Then, use the space below to draw a picture of a doctor who has helped you, filling in the prompts.

**Idea:** Print out this worksheet on cardstock, then cut out the picture you drew and give it to your doctor!
